A Fresh Start Initiative

What is *A Fresh Start* initiative?

A Fresh Start: Improving the preparation and quality of teachers for Queensland schools aims to improve the preparation and quality of teachers for all Queensland schools addressing issues in the areas of:

- teacher supply
- initial teacher education
- supervision, mentoring and induction.

Key initiatives for all school sectors include:

- Common Professional Experience Reporting Framework
- Final Professional Experience Recommendations
- Professional Development Reflection Form
- Professional Experience Checklist
- Professional Experience Glossary of Terms
- Queensland School System Expectations for Graduate Teachers Fact Sheet.

What does the *A Fresh Start* initiative mean for Catholic education?

The Catholic sector will have input through the Teacher Quality Reference Group which will act as a forum for discussion, including reporting on the development and progression of initiatives.
